NOTE FOR RECORD: Basic states: One of our staff here at the College, Col. Sam Clabaugh, USA Res., has recently been separated from the Army and has taken a position in the NSC(CIA). Clabaugh is a man of many talents but one of his best is his ability to make an excellent presentation or speech both officially and before the public. He is a smooth speaker with excellent platform presence. I thought I would pass this on to you in case you had occasion to use a fellow with these talents. Basic dtd 12/22/49. (Rec'd in CIA 12/29/49)
